**22/74 Declaration of interest** - None

**22/76 Report on course** – Cllr. Craig had taken part in two training courses. The first was on the use of social media. This was very informative especially as it is an area that the PC are considering using. It gave guidelines about the best way to proceed. After the explanation the councillors agreed that a page would be created. More detail at the next meeting.

The second course was on how to chair a meeting- once again very helpful.

**22/77 Report on meeting re Newton Field** – the relatives of the late William Forbes-Newton wish to develop the field he owned. They want to do this in a way that supports his wishes and with the backing of residents. They sent 4 versions of their ideas and wanted feedback from anyone interested. The councillors looked at the plans which also reflected plans in the NDP. They thought plans B and C were the best ideas. The affordable houses in B but C had most support. They appreciated the idea of the open area and wondered if a footpath all the way along the top of the field was also possible. Cllr. Dennis would feedback all thoughts to the relatives.

**22/78 Planning** – Retrospective recognition of PA22/06641 Marshall – the councillors had no objections.

PA22/05855 Wringsdown – the councillors were notified that the application has been refused.

An enforcement case at Leat is being opened after the parish council complaint about the building work being done there after planning had been refused. It was made clear that Cllr Fettner was no part of this complaint to planning.

**22/79 Cornwall Mayor** – The email that had been forwarded to all councillors was read through and discussed. It was decided that the wording in the paperwork was appropriate and Cllr. Dennis proposed the motion to send this as our response Cllr. Craig seconded this and all others were in favour.

**22/81 Ladycross kiosk** – the kiosk is in the process of being prepared and painted now that the new door has been fitted. The question is now what it will be used for? The kiosk in Yeolmbridge is very well looked after, used and appreciated by many residents. The suggestion is that the school might become involved in some way? Cllr.
