

6<sup>th</sup> March 2023

23/21 **Coronation** – a resident had contacted the clerk to say that she had spoken to a number of individuals and there does not seem to be the same sort of commitment or interest to organise any form of celebration as had happened in the past. One of the residents at the meeting said that Yeolmbridge Club had thought that they might change the date of the normal coffee morning to the bank holiday Monday and have a special celebratory coffee morning. The clerk was asked to check to see if the school or the Cricket Club were organising anything.

23/22 – **Parish Open Meeting and AGM** - The clerk had checked the dates and the Parish Open Meeting would be on April 17<sup>th</sup> and May 15<sup>th</sup> would be the date for the AGM.

23/23 **Planning** - PA22/09686 – Ladycross. The response of Option 2 had been sent to Cornwall Council planning officer.

PA23/01609 – land south of Sanstone, Yeolmbridge. The residents were requested to join in the discussion as to this application. There were many opinions put forward from residents and councillors, none of which were supporting the application. One of the main points being the flooding of the field. Photographs were viewed showing the area in the application part of which was underwater. Change of use of agricultural land. Extremely difficult corner off which is to be used for parking to access the site. 3 bedroom house is proposed is inappropriate in that area, as others are bungalows. If the application is passed and building goes ahead, the vehicles needed to deliver and remove materials will create a major problem within the village of Yeolmbridge as the road will be blocked. There is the main pressurised drainage pipeline that goes between the two pumping stations under the area to be built on. The clerk was to write a response and forward to the councillors for approval before being sent.

23/24 **Finance** – a) cheque to Mrs A. Dennis for £25.00 for newsletter. Only one signatory available last meeting, this was now signed.

b) cheque to Mrs A. Dennis (clerk) £300 4<sup>th</sup> quarter salary

All agreed.

Current balance – £2491.81

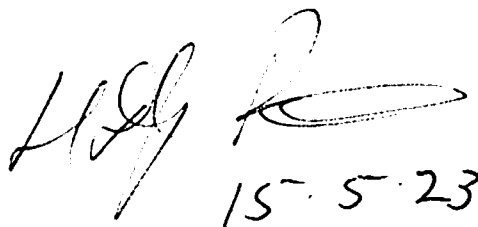

23/25 **Correspondence** – emails have been sent to all councillors with any important correspondence.

## **WERRINGTON PARISH COUNCIL**

Minutes of the Parish Council meeting held on 6<sup>th</sup> March 2023 at 7.00pm

Present: Chair- Mrs Helen Price, Parish Clerk- Mrs Ann Dennis.

Parish Councillors - Mr John Dennis, Mr Edward Bailey, Mrs Helen Finch, Mrs Samantha Craig

Apologies. –; Ward Cllr Adam Paynter. Cllr. Mr Steven Fettner

**23/13 The minutes of previous meeting on 9<sup>th</sup> January 2023 were agreed and signed.**

**23/14 Matters arising** – the clerk checked if anyone had attended the extra ordinary Network meeting on the 2<sup>nd</sup> February ( no one ). 7<sup>th</sup> February meeting regarding a mayor for Cornwall, was attended by the clerk. She reported that all residents who spoke were against the idea and there was concern of the lack of contact through all media to explain the reasons why it was thought a good idea.

**23/15 Declaration of interest** - None

**23/16 Public Participation** – 4 residents. The comments they wished to talk about were connected with items in the agenda.

**23/17 Yeolmbridge Club** – the treasurer of the club explained why they wanted the support of the parish council to access a grant from the Jubilee Fund. Explanation was given about what the committee hoped to achieve if the grant was forthcoming (insulation, disabled access, lower ceiling to reduce costs, kitchen refurbishment, toilet update). Some money gained so far and some is in reserve (£20.000) that can be used but more needed. £2.500 community foundation, Defra £4.000, Ward Councillor community chest £1.000. Questions were asked if there were membership fees any more, as this used to happen and what members could gain from this. 100 club suggested. Donations requested possibly in newsletter.

The treasurer was asked to explain the background to the club and its association with Werrington Park, to a newcomer to the area. Comment was made that in the past it was said that a grant had been granted, what had happened to this money? Also if building work had been planned what quotes had they had as 3 were required. One of the councillors suggested the youth fund that the parish council had been advised about last year. It would mean that the youth of the village would have to be involved in an activity of some sort to gain access to any money. The support statement from the parish council was requested as soon as possible so that the grant process could proceed.

**23/18 NDP** - Nothing has been heard. The plan is more or less done and waiting to hear from Cornwall Council

**23/19 Social Media** – Cllr Craig said that this was up and running. Need to build up followers. Note in newsletter. A number of items are on there already.

**23/20 Report on CALC AGM** – Cllr. Price attended for part of the meeting but had to leave early. She explained what involvement we have with CALC and the advice and support they give. Subscriptions to be increased. The notes taken can be requested from the clerk.
